General Requirements
(Prerequisites vary depending on the individual university)

For a DNP:
- MSN From Accredited Program, GPA > 3.0
- GRE Scores
- Nursing License

For a MSN:
- Bachelor’s degree, preferably in nursing, GPA > 3.0
- Nursing License

*Check each individual program you are applying to for specifics, these are only general guidelines. However, most programs will require a Nursing License.*
How to become an RN

- Two methods: Examination and Endorsement
  - Examination works best for those with a nursing degree
  - Endorsement works for those with prior experience
  - See here for more info: https://floridasnursing.gov/licensing/
Mean Salary: $75,000
