

Interview Day

What Happens Upon Arrival to the Regional Campus?

Upon your arrival, we will provide light morning refreshments before you start with your interview itinerary. While you enjoy the refreshments, some of our medical students have been asked to stop by and share their UMMSM at FAU experiences with you and to help make your visit even more rewarding.

An itinerary is provided with your interview packet for your review. When you arrive on the campus, please go to the Charles E. Schmidt Biomedical Science Building (BC 71) Conference Room.
