Subject: Obtaining Course Advising and Office Hours in the College of Medicine

Sent on behalf of Dr. Marc Kantorow

Dear COM Graduate Students,

As you are aware the University has issued a formal announcement concerning the evolving coronavirus (COVID-19) outbreak. The health and safety of our students is our highest priority and we are closely monitoring the situation. To ensure the continuity of Program Advising and Office hours for your courses, please see the following contacts and procedures below:

College of Medicine Graduate Student Advisement (students can request advising at any time by email):

- **Course Advising** – Send email to Dr. Bridget Smith bstatler@health.fau.edu
- **Career Advising** – Send email to Dr. Marc Kantorow mkantoro@health.fau.edu
- **To arrange Office Hours for specific Fall 2020 courses** – Please contact your instructor directly.

Once you have sent an email you will be contacted within 24 hours to arrange your advising appointment by email. If you do not receive reply within 24 hours please immediately contact our office at bstatler@health.fau.edu or mkantoro@health.fau.edu.

Please check the latest University announcements at <http://www.fau.edu/ehs/corvirud/> and College of Medicine-specific announcements at <http://med.fau.edu/home/covid-19.php> where there is a tab dedicated to our graduate students.

The Office of Graduate Programs will continue to be available for any questions or concerns you have.

For any reason please don't hesitate to contact me or Dr. Smith at bstatler@health.fau.edu or mkantoro@health.fau.edu.

We hope you and your family are well and please stay safe!

All the best,

Dr. K

*Marc Kantorow, PhD, FARVO
Professor of Biomedical Science
Assistant Dean for Graduate Programs
mkantoro@health.fau.edu*
