Letter Grading Remains In Effect For Biomedical Science MS Program Courses

Many of you have been informed that FAU graduate students in some programs have been given the option to change grading in some courses from letter grades (A, B, etc.) to Satisfactory/Unsatisfactory grades. This notice is to confirm that standard letter grading will remain in effect for all Biomedical MS Courses.

The Graduate Program Office and your Instructors are ready and available to answer any questions you have concerning grading in the Biomedical MS Program. Please contact your instructors directly or The Graduate program Office at bstatler@health.fau.edu.

We hope you are safe and well during this unprecedented time and are here to help you in every way we can!
