As the university continues to adjust its operations in response to COVID-19, the health and safety of everyone associated with FAU remains the top priority. To that end, complete remote learning will continue until at least the end of the Summer III session. All classes will be taught through remote delivery.

Summer III begins June 27 and ends Aug. 7. Operations related to our fall semester will be communicated as information becomes available.

While these decisions may be disappointing to some people, the university is taking these steps to help prevent further spread of this coronavirus within our communities.

As we continue with remote learning, our Office of Information Technology recently introduced a Keep Learning tool designed to help students make the shift to remote learning. This useful resource will help our students navigate this period.

Please remember, if you are feeling unwell, and especially if you are experiencing symptoms associated with COVID-19, seek medical attention immediately.

If you receive a positive test result, all students must notify Student Health Services as soon as possible. The number is 561-297-3512 (after hours, please select option 3). All faculty and staff must notify Human Resources. The department can be reached by calling 561-297-3076 or by email at gzaidman@fau.edu. Your supervisor also should be notified.

And, please practice social distancing and regularly check our dedicated COVID-19 website for updates.

Best,

John Kelly
President
