

COM Department of Biomedical Science (BMS) Summer Research Program Application Form

The Charles E. Schmidt College of Medicine Department of Biomedical Science at Florida Atlantic University (Boca Raton/Jupiter) is offering a new program to medical students looking for summer research opportunities. Students will be matched with a mentor, based on research interests. The program will run May 21-July 20. Students will gain experience in translational research and are expected to give an oral presentation at program end and present a poster on Research Day. Stipends up to \$1500 are available. A full time commitment of approximately 40 hours per week is expected for this program. Applications are due by February 23, 2018.

Name (First, Last) _____

Phone # _____ Email _____

Current Academic Year (M1 or M2): _____

Please explore the faculty webpages at <http://med.fau.edu/research/labs/index.php> and <http://med.fau.edu/home/departments/biomedical/faculty.php> and list 3 research areas/faculty members that interest you:

1. _____
2. _____
3. _____

Submit all of the information listed below in one email to Melanie Weiss at mweiss@health.fau.edu no later than **February 23, 2018**. *Late submissions may not be accepted.*

- Completed Application Form
- 1 page Statement of Research Experience and/or Interests (*Describe why you want to participate in this program, experience/research interests, academic and career goals and how you plan to reach them*)
- Two letters of reference from professors/advisors/mentors

You may not have a stipend from another program and also receive this stipend. If you have questions, please contact Melanie Weiss at mweiss@health.fau.edu, 561-297-4557.
